**Title & Full Name and Photo: Chief Division of Mining Exploration
Yawo Ségbéaya AGBO**

Qualifications and Gender: Master in Geology; Male

Country: Togo

Region: Which region will you represent? (North Africa, West Africa, Francophone, Nile & East Africa, and SADC): **Francophone**

Nominators: The names and email addresses of at least one nominator: **ABDI YOUSOUF SAHAL <sahal01@hotmail.fr>**

Work: Where do you work and what do you do? **General Directorate of Mines and Geology; I make mining search and evaluate mining reserves.**

Previous AGW-Net Service / Activities. Include here all interaction you have had with the network, such as previous service for AGW-Net, meetings and conferences attended as an AGW-Net delegate, short AGW-Net training courses you have helped organize or participated in, MELP feedback that you have given, etc:

For now I don't yet participated to any conference or another activities but I submitted for some conference but I don't yet have chance to assist. I think the next round will be the best. I have all the time the news of AGW-Net with Richard.

Manifesto: Please indicate briefly here what skills and interests you plan to bring to the Steering Committee and how you plan to enhance the network.

The knowledge I can bring to the steering Committee is the Geology skill, how to collect Hydrogeology and Geology data's and GIS Skill.

Other: Please indicate any other relevant information.

I will Invite more colleagues I met in my different strange training to join AGW-Net to bring all their skill for good monitoring of ground water and also to protect against their pollution to preserve them for the future generations.

Finalizing your registration form: Please email your registration form / manifesto to richardo@zol.co.zw or richardo@yoafrica.com Your election form will be posted in our website as a pdf no later than 1st November.

Announcement of Results. There will be a newsletter announcing the results of the elections on 2nd December.
